Our Customer Satisfaction Motto:

"We're not happy, until you're not happy"

Stage 1: Poker Night

While playing a game of poker at someone's house, you are accused of cheating and the other players draw guns. At the buzzer, draw and engage T1-T4 at 2 yards with 3 shots each while seated. Then shoot the dog charging at you with either 2 body shots or 1 head shot.

Stage 2: Gun Free Zones Suck (Limited)

You are at a gun free zone so you are not armed. Thugs are attracted by the fact that no one is armed and decide to start shooting. The thugs are blocking the exit when you come across a downed security guards weapon. Recover the weapon and go to kneeling. Engage targets near to far with 2 body shots. T3 is holding a hostage and must be engaged with 1 head shot.

Stage 3: The Terminator

Standing next to T1, at the buzzer, draw and engage T1 with 3 shots. Then begin to advance forward and engage T2-T5 with 3 shots each. Move the no-shoot out of the way then engage T6 with 3 shots.

Stage 4: Not with my

Daughter

You are relaxing at home when you hear glass breaking followed by your daughter's screams. You must recover your weapon and engage the attackers. Starting seated with your gun on the table behind you, at the buzzer, stand and recover your weapon. Shoot T1 then move to P2 and engage T2 standing in the window. Advance to the window and engage T3. All targets get 3 each.

Stage 5: Attempted Carjacking

Seated in your car, thugs block you in and draw on you. At the buzzer, draw and engage T1-T3 with 3 each. Then shooting around the A-Pillar, engage T4-T5 with 3 each all while seated.
